Meeting at Market Hall.

Judge DOOLITTLE, U. S. Senator from Wisconsin, will address the electors of Milwaukee, on the political issues of the day, at MARKET HALL, *this* (Friday) evening, at 8 o'clock.

THE NEWS.—The news by the *Vanderbilt* from England &c., is interesting but the advices from India are meagre. Breadstuffs in England were lower.

Both the stock and produce market in New York were buoyant, and it looks as if the crisis was past. Stocks rose rapidly, though transactions were limited.

It is by no means certain that the democratic and Know Nothing fusion has carried Ohio.

No report last night, the storm prostrating the wires.

SENATOR DOOLITTLE SPEAKS TO-NIGHT.—The people of our city who heard Judge DOOLITTLE speak during the canvass last fall, will require nothing more than the notice that he is to address them to-night at Market Hall, on the political issues of the campaign, to cause them to fill the Hall.

This will be Mr. DOOLITTLE'S first public address in Milwaukee since his election as U. S. Senator, and many will be glad to hear this eloquent advocate of the cause of Freedom give his reason for the Republican faith which is in him.

Judge Randall and his Libellers.

The *News* and *American*, the Pro-Slavery and K. N. organs, opened in concert upon Judge RANDALL, yesterday morning, accusing him of most of the crimes in the calendar and some out of it. If these witnesses are to be believed, Judge RANDALL is a gambler, a drunkard, a thief, a defaulter, a dishonest lawyer, a poor Judge, &c., &c. Of course, it is quite unnecessary to reply to these charges, since the public know both RANDALL and his twin calumniators, and these latter *know each other*. About three months ago, when the relations between the *News* and *American* were not quite so pleasant as they seem to be now, they bore witness against each other, in terms that we do not care to copy.—According to the *American*, the "responsible Editor of the *News*" was infinitely worse than he represents Judge RANDALL to be, while, according to the *News*, the Editor of the *American* was "garrulous," "gassy," "venal," and what not.

Such were the civil terms in which these bosom friends spoke of each other *less than three months ago*. Far be it from us to charge *either* with speaking the truth. They may have slandered each other then, as much and as vilely as they are heeling Judge RANDALL now. It is "instructive to remark," however, that in the testimony of these twin calumniators is good for anything against Judge RANDALL it is certainly good against each other; and if what they said of each other is to be believed, what they say of anybody else is not worthy of the slightest credit. And in this dilemma we leave them.

The Glorious Result in Kansas—The Free State Men Victorious!

The following from the St. Louis *Democrat* of the 14th inst., warrants us in the conclusion that the Free State men have swept the board in Kansas, in spite of the arrangements of Walker, the bogus apportionment, the young of the U. S. troops, and the Border Ruffian interlopers.—ALL HAIL, FREE KANSAS!:

We are indebted to Mr. Marsh, just from Kansas, for the following authentic information in regard to the election. It will be seen that we were right in discrediting the dispatch published yesterday morning from Boonville, announcing a pro-slavery victory. The free State men have swept the territory by an overwhelming majority, and it remains to be seen whether the disgraced minions of Federal authority who have stooped already to every species of villainy will now again attempt further frauds in order to set aside the will of the people and force slavery upon Free Kansas. The summary when we give was made up by official or tolerable reliable returns, on Saturday, at Quindaro, and is the latest advices from the Territory:

QUINDARO, Saturday, 12 o'clock.

For the Council the Free State party have carried: Fourth district, 2; Fifth district, 1; Sixth district, 3; Ninth district, 2; Tenth district, 1—making in all nine councilmen.

The pro-slavery Democrats have carried:—First district, 3; Second district, 1—making in all four councilmen.

For Representatives, the Republicans have carried Doniphan, 5; Jefferson, 2; Calhoun, 1; Douglas and Johnson, 3; Shawnee, 1; Anderson and Franklin, 3; Lykins, 2—making in all twenty-two representatives.

The pro-slavery Democrats have carried Leavenworth, (by fraud), 5; Atchison, 3; Lyon reported as gone for the Democrats, 2—missing in all 13.

Counties sending four representatives—to hear from. All probably Republican.

Parrot's majority between 5000 and 7000.—Most probably the latter.

NOMINATIONS.—The Republicans of Palmyra district, Jefferson county, have nominated for Assembly, MILES HOLMES, of Palmyra, a thorough Republican, and worthy and intelligent man. He will be elected, of course, as he ought to be.

FINANCIAL MATTERS AT CHICAGO.—The Chicago *Tribune* of yesterday, notes as an evidence of the improved state of money matters, that exchange has fallen five per cent. in that city.

THE KARSHAW PUT BACK.—The papers by the *Arabia* state the bark *Kershaw* had put back to Liverpool with loss of fore-top sail yard.

A MURDERER'S CONFESSION.—The Wautoma *Journal* contains the confession of Edward Walsh, arrested for the murder of Dennis Drew. Both of these men boarded at Delury's Tavern, in this city just before the murder.

The Illinois Banks.

Several weeks since, the Bank Commissioners made a call upon a number of the stock-secured banks of this State for additional securities, in order to protect their issues. This step was rendered necessary in consequence of the depreciation of stocks in the New York market. We are glad to state that the following banks have responded to his call:

Alton Bank,	Farmers' & Traders' Bank,
Agricultural Bank,	Jaf-fayette Bank,
Bank of Bloomington,	Marion Bank,
Bank of Wayne,	McLean County Bank,
Bank of Galena,	Merchants' & Drovers Bank,
Bank of Naperville,	National Bank,
Bank of Northern Illinois,	Prairie State Bank,
Bank of Pike County,	railroad Bank,
Bank of Peru,	State Bank of Ill, Shawneetown,
Bank of Quincy,	Southern Bank of Ill, Grantville,
Central Bank of Georgia	Warren County Bank,
City Bank of Ottawa,	Farmer County Bank,
Chicago Bank,	Quincy Bank,
Edgar County Bank,	National Bank,
Exchange Bank,	

A few of the banks called upon have not yet footed up; but it is probable they will do so before the expiration of the Auditor's notice to them.—*State Journal*, 13th

FIRES.—The house of Mr. Brooks, at Brook's Mill, we learn destroyed by fire one day last week, and considerable clothing was burned with it.

On Tuesday night last, the new barn of Mr. John Otis, of Lind, together with 100 bushels of threshed wheat, was entirely destroyed by fire. No insurance. It is supposed that this last fire originated from the pipe of Mr. Otis, who was smoking in the barn in the evening.—*Weyauwegan, Oct 9.*

HON. J. F. FARNSWORTH.—A rumor was in circulation last evening that Hon. J. F. Farnsworth, who is very ill of typhoid fever at his home in St. Charles, was dead. We learn from a reliable source that he was improving yesterday afternoon, and that some hope was entertained that he would recover.—*Chicago Tribune.*

CITY MATTERS.

POLICE COURT, Oct. 14.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

DRUNK.—James Reed, fined $5

DISORDERLY.—Edward Fuley, Catharine Faley, and Ellen Hyland, cases continued to 15th inst. for trial.

LARCENY.—A servant girl named Wilhelmina Schmidt, was examined on a charge stealing a silk Mantilla, from the house of her employer, Mr. Kellogg Sexton, and committed to jail in default of $500 bail.

THE WEATHER—SEVERE STORM.—After some days of most delightful weather, and clear frosty nights, yesterday morning brought us a violent north east gale, which raged with greater or less violence through the day, and at night rose to the severest storm, we think, of the season.—The wind blew from the north at 8 o'clock, and shook everything in its rage. In fact it was very difficult for pedestrians to keep their feet in the more exposed parts of the city

The roar of the waves upon the lake was still distinct above all the din of windows, signs, awnings, &c., and we fear that we shall hear of many disasters on the water. A great many valuable cargoes are afloat.

SEE HOW IT STICKS OUT.—Night before last the Republicans held a mass meeting, and last night they held another. The first was for Germans, and the last for Americans. The first was held in Market Hall, the second in the Albany. Market Hall is good enough for Germans, but Americans must have the Albany. Such is the principle upon which the so-called Republicans acted. Is not this Know-Nothingism of the most proscriptive style?—*American*, Oct. 9.

To-night the Republicans meet at Market Hall. To-morrow night the Sham-Democracy gathers at the Albany. "Market Hall is good enough for Germans, but Americans must have the Albany!" So says the *American*, the Know-Nothing organ, and "such is the principle" upon which the Sham-Democracy acted. "Is not that the "most proscriptive" of K. N. ism? Don't you see "how it sticks out?"

BROWN DOWN.—A portion of the brick work of the north end of Mr. Young's new building on the corner of Main and Wisconsin streets, was blown down last evening about 7 o'clock.—The brick fell into the building making a fearful crash, and greatly frightening people in the adjoining buildings. The damage, however, we think is not much. Coming to our office after tea, we saw several ornamental trees, upon the sides of the streets, uprooted and blown across the side-walks by the gale, and sign-boards, too, were hurled about the streets like feathers. We fear that there was considerable damage done during the night.

FIRE DEPARTMENT.—ANNUAL REVIEW.—The notice for the usual Semi-Annual Review and Inspection of our Milwaukee Fire Department, will be found in our columns this morning. It is appointed to be held on Thursday next, 22nd inst. Now let Engine Co. One invite the two Companies from Beloit & Janesville, with which they desire to "try conclusions" again, to visit Milwaukee on the 22nd, take part in the parade and compete with the crowd.—They may be assured of "fair play," and such a friendly contest would be much more sensible than playing for a wager.

THROUGH THE STRAIGHT CUT.—The large Propeller *Potomac* came into the river yesterday afternoon through the Straight Cut. She was handled beautifully, and came in between the long piers in fine style.

Would it not do well to have a survey made of the channel, so that in the gales which we must now look for, vessels may be able to find it safely, if compelled to come in that way, by stress of weather?

NOT THE FAIR THING.—The captains of two of our sail-craft, plying in the Depere lumber trade, think that it was not exactly the fair thing in the Green Bay *Advocate* to charge *some* captain and mate with making away with a good part of their cargo on arriving at this port. We are willing to warrant that neither Capt. TATE of the Norway, or Capt. THOMPSON of the Congress, is the delinquent, and their excellent character scarcely requires a word to be said in their behalf.

HOLTON & CO.'S EXPRESS.—In our advertising columns to-day will be found a very flattering card, signed by a very large number of our leading business houses, certifying to the usefulness of Holton & Co.'s Express in facilitating the transmission of goods and packages. It speaks for itself, and is a well deserved compliment to this important Milwaukee "institution," which has grown up from small beginnings to be a real necessity to business men.

THE THEATRE.—The storm last night of course prevented many from attending the theatre.—Mrs. Farren, in the character of Lucretia Borgia, won new laurels. She played her part excellently, and we were sorry that there were not more present. We hope the Manager will favor the public with a repetition of this drama before Mrs. Farren's engagement expires. This evening the play of Ingomar will be enacted, Mrs. Farren as Parthenia.

CIRCUIT COURT.—The Circuit Court adjourned yesterday morning until to-day. The criminal calendar was disposed of, and the Jury dismissed until Monday morning, when the civil calendar will be taken up.

A GOOD CHANCE TO BREAK ONE'S NECK.—A hole has been dug in the side-walk on Main St., which, in its present condition, is not very safe these foggy nights. It is quite close to the door of the station house.

MILITARY.—We are requested to say that the parade of Company B, of the Light Guard, ordered for this afternoon, is postponed but the usual company drill will take place in the evening at the Armory.

Prompt Pay by a Milwaukee Insurance Company.

The last Columbus *Journal* contains the following Card, which we take pleasure in transferring to our Columns:

A CARD

MR. EDITOR.—On the morning of the 9th inst., as you are aware the hotel and furniture in this place, owned by us, was burned up. We were insured for two thousand dollars in the Phœnix J. C. Barnes, Cashier of the Bank of Columbus, is the agent. To day (the 10th) we are happy to be able to say that we have *our money in our pockets*. The company by the terms of the policy and the general rules of insurance, were entitled to sixty days time, and the fact, that in the present stringent states of the money market, they have waived this right, and paid up within twenty-four hours after the occurence of the fire, ought to entitle them to confidence of every business man and insurer in this community.

Such instances of liberality and promptness are rare in such hard times.

HOW TO PRESERVE BEAUTY.—Nothing is more becoming to a man or woman than a beautiful luxuriant head of hair, and a womanly beauty is certainly incomplete without a fair complexion, and how or she who neglects these great and important adornments of nature must expect to suffer the mortification of premature baldness, a wrinkled face and a sere old skin. Nothing is necessary to preserve these essential attractions but the use of PYLE, Wood's Restorative.—*Louisville Times.*

PYLE, WOOD'S HAIR RESTORATIVE.—We have had occasion to use the various preparations of PYLE, Wood's, and after thoroughly testing its qualities, we find that where the hair is thin it will thicken it, if gray it will restore it to its original color; likewise, it gives a glossy appearance as well as keeps the hair from falling out. This invaluable ingredient is for sale at "Ohlenmath's Toilet Store," southeast corner Frederick and Baltimore streets, by Mr. J. O. Given.—*Balt. Clipper.*

EAGLE HARBOR.—The following certificate, copied from the Buffalo *Express*, was published, a few days since, in our own and the Chicago papers:

HARBOR OF REFUGE, Oct. 4, '57.

To the Editors of the Buffalo Express:

It is now blowing a gale of wind from the northeast, and the propellers and vessels which we respectfully command to your notice, have been using as a lying-to refuge, and for the benefit of masters and owners of vessels, we deem it our duty to inform them that it is my safety course in stormy time, providing they do not draw more than ten feet of water, and good weather drawing 12½ feet. On coming in keep the north pier about aboard for the first 30 rods, then keep away for the south pier, and keep it close aboard as far up the river as you wish to go.

E. H. BLUE, Master of the schr. David Tod.
E. B. COLLINS, Master of propeller Sun.
M. F. HALL, Master of propeller Bradley.
WM. WOOD, Master of schooner Sancho.

The Racine papers assure us that the state "Kenosha" is an error; that it should be Racine; the above named vessels having all been in Racine Harbor, during the N. E. blow on the 5th instant, and the card having been despatched from there to the Buffalo *Express*.

Interference of Federal Office Holders.

Here, as in Kansas, the Federal Office-holders are required and relied upon to supervise and control, as far as possible, the local elections.—Mr. Postmaster SHARPSTEIN and Mr. Collector SCHOEPFLER, are exceedingly active in this work, and do the bulk of the electioneering hereabouts. Indeed the former is said to attend much more to politics, than to the Post Office as the following "official" notice in yesterday's *News* serves to show:

NOTICE TO THE DEMOCRATIC GENERAL COMMITTEE.—The Democratic General Committee are requested to meet at the office of J. R. SHARPSTEIN, over the Post Office, at 10 A. M., this morning. A full attendance is desirable.

In the good old times of the Republic this open and impudent interference of the Federal office-holders in State elections would have called down instant and indignant rebuke upon the heads of the offenders. But in these degenerate days, when a President of the United States ventures so far as to surround the polls of a Territory with Federal bayonets, and under the pretence of maintaining order, lends aid and comfort to the Pro-Slavery party, it can excite no surprise to see the Federal Office holders neglecting their legitimate duties and undertaking to pack Caucuses, control Conventions and regulate the Elections.

CONNECTICUT TOWN ELECTIONS.—The *News*, a few days since, raised an exultant shout over the Connecticut Town Elections, as unusually favorable to the Sham Democracy. The *News* balloed too soon. The Hartford *Courant* of the 10th instant, thus sums up the result: Opposition 69, Administration 50, divided 8. The *Courant* adds that the result is the same substantially as last year.

The Recent Outrage on Justice.

We are not in the least surprised that the *News*, which raised such an outcry, Wednesday morning, about the case of Michael Higgins, and made it the occasion of a vindictive attack upon Judge RANDALL and the *Sentinel*, should come out, the *very next day*, in defence and justification of Judge MCARTHUR'S extraordinary conduct, in the recent rape case. Let us look at the excuse which this volunteer apologist for an unparallelled outrage on justice, offers for the Judge. It is briefly this; that in the morning, the Court had to wait one hour and a half for the prosecuting witness; that after her direct evidence had been given and the cross-examination commenced, the Court adjourned till ½ past 2 P. M.; that the Court told the interpreter to inform the witness that she must be in attendance punctually at that hour; that when the Court re-assembled at 2½ P. M. the witness was not present and after waiting "*nearly half an hour*," the Court, at the instance of the prisoner's Counsel, and without, it would seem, any objection on the part of the prosecuting Attorney, charged the Jury that the prisoner must be acquitted; that thereupon the Jury returned a verdict of *Not Guilty*, and the prisoner was forthwith discharged. This state of facts the *News* holds to be a full and perfect defence for the conduct of the Judge. We insist that it constitutes no defence *at all* and leaves the outrage without excuse, or palliation.

Consider, briefly, the facts in the case. A poor German woman, with two little children, took passage on the Propeller *Sciota*, from Sheboygan to this city, where her husband lives. She was the only passenger on board, and during the night the two mates of the Propeller entered the cabin where she was, and committed a most brutal and fiendish outrage upon her person. For this crime, they were arrested, indicted by the Grand Jury, and committed for trial. The case came on last Tuesday. The woman could not speak a word of English, and an interpreter was sworn in to translate her testimony. She told a straight story on her direct evidence. Pending the cross-examination, the Court adjourned, and when it met in the afternoon, after waiting "*nearly half an hour*" for the witness, the case was given to the Jury under peremptory instructions from the Judge to bring in a verdict of "Not Guilty." One of the Jurors, an old resident in our city, assures us that he *refused to* find any such verdict, believing the prisoner to be guilty. Nevertheless, a verdict of "not guilty" was entered and the prisoner discharged.

It does not appear that any effort was made by the Court, or the Prosecuting Attorney, to compel the attendance of the missing witness. It does not appear that she either refused, or neglected to attend. On the contrary, she was present in the morning and *again in the afternoon*, just after the case had been dismissed, having, it is said, mistaken the hour to which the Court stood adjourned. In a civil suit between two parties, the non-attendance of the witness relied upon to prove either side of the case, may be a good reason for at once going to the Jury. But not so in a criminal case, and especially one where the crime charged was so atrocious a one. Was it not clearly the duty of the Prosecuting Attorney to look up the witness? Was it not equally the duty of the Court to have exhausted its power to compel her attendance, before permitting the prisoner to go scot-free? Who believes that if, instead of a poor, helpless, friendless, German woman, not speaking a word of English, and a comparative stranger to our laws, the prosecutrix had been a woman in a higher station of life, surrounded by friends and supported by eminent counsel, the case would have been thus summarily turned out of Court? And what lawyer or layman, will maintain, that in thus dismissing this grave case and discharging the prisoner, Judge MCARTHUR did his duty to the complainant, the prisoner, or the public? Very sure we are that the Members of the Bar and the Community at large look upon the act as an unwarrantable proceeding on the part of the Judge, and a deep stain upon the administration of Justice in Milwaukee.

U. S. Troops in Kansas—Disfranchisement of citizens.

We have already learned the fact that Walker's troops voted in Kansas, and by their votes doubtless carried Leavenworth County, which was given *eleven* representatives in the Council by the bogus Legislature, and which scandalous apportionment was sanctioned by Walker. If, as we hope to learn, the Free State men have carried the Legislature, his isothermal Excellency will not have even the gratification of success to whitewash his crime. We say *crime*, for the Governor purposely distributed the troops where they would be of the best service to the pro-slavery cause, and, on being waited upon by a Committee of the free state men, insisted that the troops "had a perfect right to vote."

The 23d section of the Act organizing Kansas, contains the following proviso, on the subject of Suffrage:

"*Provided further*, That no officer, soldier, seaman, marine, or other person in the army or navy of the United States, or attached to troops in the service of the United States, shall be allowed to *vote* or hold office in said territory, by reason of being on service therein."

So that even this organic Act, so objectionable on various accounts, did endeavour to guard the people from interference by federal troops. And yet Walker directs the troops where and how to vote, and insists upon their right to vote; and this, too, when *bona fide* citizens, who do not happen to have been residents six months, are excluded from the polls! But this was not all. The same Suffrage section provides;—

That the right of suffrage and of holding office shall be exercised only by citizens of the U. S., *and by those who have declared on oath their intention to become such*, and shall have taken an oath to support the constitution of the U. S. and the provisions of this act.

Yet in defiance of this, several hundred German citizens of Leavenworth county,—all of them free state men—were refused their right of suffrage under the bogus-laws, because they had not obtained their *second* papers. So that, by polling unlawfully the votes of troops, used with like disregard of the organic Act, rejecting the votes of adopted citizens, the pro-slavery democratic party have carried the county, with its *eleven* members, if they have carried it at all.

However, be the result to the Legislature what it may, the votes of the several counties in the aggregate, and especially upon delegate to Congress, will exhibit unmistakeably the very large preponderance of the Free State men in Kansas, and it will be a refreshing business to the believers in the Sham Democracy, to look on, as is quite probable, and see the next Congress, which is in the control of that party, accept a pro-slavery Constitution for Kansas, against the protest of a delegate returned by a majority of thousands of free state men.

The Mass Meeting.

It will gratify the Democracy of this city and State to learn that Mr. RYAN has accepted the invitation of the General Democratic City Committee to reply, on Saturday evening, to the speech, which Senator DOOLITTLE is advertised to make on Friday evening.

We know that this arrangement cannot fail to please the friends of the Senator; for we have heard them express a desire to have Judge DOUGLAS meet their champion in discussion this fall before the people.

The people themselves will hail this announcement with joy, as it will give them an opportunity to hear two men of conceded ability and character discuss the issues which divide the Democratic and Republican parties.—*News of yesterday.*

Content, say we. Judge DOOLITTLE speaks at Market Hall *to-night*, in review of President BUCHANAN'S extraordinary letter, and in opposition to the doctrines therein laid down. The President maintains— and the "National Democracy" cry amen!—that *the U. S. Constitution carries Slavery with it, wherever it goes*, and, of course, protects it everywhere. The Republicans join issue on this point, and Judge DOOLITTLE will open the case for them to-night. Come all and hear him!

Hard on its Friends.

The Milwaukee *News* is doing a good service for the Republican party, by calling the attention of the people to the official records in regard to the disposition of those Land Grants. The Portage City *Record* gives the following analysis of the vote on the "corruption bill:"

Number of Democrats voting for the bill	51
Against the bill	2
Number of Republicans for the bill	22
Against the bill	20

The democrats voted for it almost unanimously, while a majority of the Republican members voted *against* the "corruption" measure. Has the *News* got any more friends to show up?—*Racine Advocate.*

Not many. It has about "used up" the lot.—The *News* first tried its hand on "School Land swindles," and proved, to its entire satisfaction, that the Treasury had been robbed of *One Hundred and Fifty Thousand Dollars* by the Shawano Sale. The Republican papers immediately detected and exposed the alleged Treasury Robbery. They were the Democratic School Land Commissioners, who had *exclusive* control of the sale, and forced it on in order to put money in their own purses. The *News*, having got its friends into this awkward scrape, quietly left them there, and took refuge in the more promising topic of INCREASED TAXATION.

On this, for a day or two, the *News* was indignantly eloquent. The People were oppressed, so said this sympathizing organ, with an increased taxation of *Two Hundred Thousand* Dollars in two years. Just as the *News* had got the story fairly started, the Republican press clapped an *extinguisher* on it, by proving that the State tax for this year, instead of being any larger, is actually *Fifty Thousand Dollars* less than it was two years ago, under BARSTOW! The *News* was "hoist with its own petard."

Just so with the "corruption" story. The *News, American* and others of that tribe, set up a howl against the last Republican Legislature for extorting "bribes" from the La Crosse R. R. The Company, according to these prints, was forced to pay a million *bonus* for this Land Grant. Well, it is immediately shown that 51 Democrats and but 22 Republicans voted for the Grant; whence the inference is irresistible that the parties "bribed"—if "bribed" they were—must have been mainly Democrats! Clearly, in all these instances, the *News* has most effectually "shown up" its friends. Let it persevere in this well-doing.

Why they were Disfranchised.

The Bogus Legislature of Kansas, in making the apportionment which Walker sanctioned, practically disfranchised, so far as the Council was concerned, a large portion of the Territory, crowding nearly all of the members upon the eastern border counties, accessible from Missouri, and convenient for the troops.—The very heavy free State vote cast in the counties thus outraged, explains the action of the Slavery plotters. Here are a few specimen votes:

	Free State.	*Pro-Slavery.*
Lawrence	905	11
Topeka	834	4
Willow Springs	221	36
Palmyra	271	4
Grasshopper Falls	171	16
Tecumseh	127	55
Wakarusa	91	6
Peoria	66	1
Stanton	60	1
Indianola	50	5
Miami	37	6
Osawatomie	240	none
Burlington	138	none
Brownsville	88	none.

Nominations.

In Iowa County, for Assembly, the Republicans have nominated T. S. ALLEN in the north district, and LEVI STERLING in the south district.

R. J. STEVENSON is the Republican candidate for Assembly in Richland county.

WM. G. BROWN is the Republican candidate for Assembly in the south district of Green county.

HUDSON AND PRESCOTT TROUBLES.—We regret to see that the troubles between Prescott and Hudson are likely to lose the Republican party a State Senator this fall. Mr. STRONG, it is charged, was nominated by the Hudson interest, and the Prescott people rebel against it. Cannot some arrangement be made by which a candidate can be brought out who is not affected by this local quarrel?

ANOTHER IMPORTANT DECISION AS TO LAND PRE EMPTORS.—The question having frequently been raised before the General Land Office, as to the necessity of the residence of the wife, of a claimant under the pre-emption laws, it has been decided that a man, being the head of a family, must show a residence with his family on the land claimed, in order to enable him to avail himself of the benefit of the statutory provisions.

ANOTHER NEWSPAPER SUSPENSION.—The Mineral Point *Democrat* has stopped, the proprietor, Mr. OTIS, finding that it did not pay. The Mineral Point *Tribune*, Republican, is now the only paper published in Iowa County.

HOTEL AT COLUMBUS.—The Columbus *Journal* says that none need fear any lack of accommodations in that town, on the account of the burning of the Exchange Hotel. There are five taverns in the place and the new Hotel, the Bird-sey House, is very nearly completed and already accomodates some guests.

DUBUQUE.—The census of Dubuque, just completed, shows that the population of that city is 15,957—being an increase of 3,723 since September 1856. The number of families, exclusive of those at hotels and boarding-houses.

RACHEL DUMB.—Mdlle. RACHEL, the celebrated Actress, has been recommended by her physician to retire to the country, and in order to save her voice, not to speak a word till next spring. She has undertaken the tremendous enterprise.

YOUNG BONAPARTE.—The young Bonaparte who was educated at West Point has returned to Paris from a campaign in Algiers, having been promoted to a captaincy.

A PAYING ROAD.—It is refreshing to know, says the Troy *Budget*, in these days of Railroad insolvency, that there is one road that pays something on the investments of its stockholders. The Rensselaer and Saratoga Railroad has just declared a dividend of four per cent, from the earnings of the last six months.

COLD COMFORT.—The Waukesha *Democrat* has the following flattering notice of the political efforts and influence of our cotemporaries, the *American* and the *News*:

We stated in the beginning that the Milwaukee *American* would work far more injury than good to the State ticket, and we are very sorry to say that our worst fears have been more than realized. Prominent Democrats of this county whom we meet every day say that the hairbrained weather-cock of the *American* and that abolition fop of the *News* are doing us more injury than the whole Republican press of the State.

Waupun Bank.

The effects of this Bank were duly assigned to me for the benefit of the creditors on the 8th inst. Owing to the heavy losses the Institution has sustained through the failures of other Banks and the pressure of the money market, the stockholders and officers came to the conclusion that the affairs of the Institution must be closed up; but I am happy to state that there appears to be a fixed determination on the part of the citizens of this place and surrounding country, that the Institution shall resume its operation. Several meetings have been held, and it is proposed to increase the Cash Capital of ten thousand dollars—this done, and the Waupun Bank will be able to withstand the present crisis, and will be placed upon a basis sure and permanent. Our most wealthy and influential citizens have taken hold of the matter, and I am of the opinion that the Cash Capital required to be raised; but as this is to be paid in, in monthly installments, it will be necessary for the creditors of the Institution to extend the time of payment.— *Waupun Times.*

Oct. 12, 1857. J. WARE.

(We hear that the amount called for above is nearly received, and that with the addition to the present Capital of $25,000, the Waupun Bank will be placed on a stable and permanent basis. *Ed. Sentinel.*)

Military Convention.

Pursuant to a call issued by Major Nunnemacher of the 11th Batallion Wisconsin State Militia, delegates from many of the Uniform Companies of the Eastern Division, met at the Armory of the Milwaukee Light Guards, in the City of Milwaukee, on Wednesday, the 14th inst., at 2 o'clock, P. M.

The Convention being called to order by Major Nunnemacher, on motion of Capt. Liebhaber, Major-General S. B. Grant was called to the Chair, and the following named gentlemen elected Vice Presidents: Capt.'s O'Neil, Horn, Lane and Haas. Capt.'s Townsend and Clark were chosen Secretaries.

Grafton Rifles—Captain Spohn, Lieutenant Steinmetz.

Capt. Horn being called upon, addressed the Convention briefly and forcibly in favor of a more perfect Military Law than at present exists in this State. He was followed and ably supported by Captains Lane and O'Neil and Serg't Major Woodward, whereupon, on motion of Capt. Horn, the following resolution was unanimously adopted.

Resolved, That the Chair appoint a Committee of seven who shall proceed to draft a bill to be submitted to the next Legislature, providing for the better organization and more liberal maintainance of the Uniform Companies of the State of Wisconsin.

On motion it was further—

Resolved, That as soon as the Committee have perfected a bill, they be instructed to send a copy to the Commanding Officer of each Uniform Company of the State with the request to refer the same to their Companies and return the same with such remarks as their Companies may suggest.

Resolved, That the Companies be instructed to communicate with the Governor-elect, and to request him to lay our wants and wishes before the Legislature in his Annual Message.

Resolved, That when this Convention adjourns, it adjourn to meet again on the last Monday of January next, at 12 o'clock M., at Madison, and that all the members and other Military Officers of the State be requested to appear in full uniform.

BRIDGE AT PORTAGE CITY.—The *Record* says that the new bridge across the Wisconsin is completed so that teams can cross it. That paper says:

Emigrants and others who have heretofore chosen other points to get across the Wisconsin on account of the insufficiency of the ferry boat here, are informed that they can now be accommodated here better than at any other points on the river. The bridge is 640 feet in length, and 18 feet in width on the inside. There was used in its construction, 225,000 feet of lumber. The contractors inform us that they will have all that their contract calls for, done this week. We congratulate our citizens on the completion of a work that will prove of such great importance to our city.

THE MISSERS. HARPER.—The suspension of Harper Brothers on Thursday, is one of those events for which those who know them best, were not prepared, even in these times. With bonds and mortgages on productive real estate in this city, for more than four times the amount asked for, and bills receivable for ten times the amount, and only asking to have their line of discount *restored* within $5,000 of what it should be—and with the solemn assurance that within the six asked, they must suspend and discharge between six and eight hundred persons in their employ—they were coldly permitted to go by the board, and thus be compelled to bring distress and want among several thousand persons who were directly dependent upon them for employment! Who is benefitted by this system? Did it make the bank which refused to aid them stronger, or weaker?

But we have no heart to dwell upon a matter of this kind. In the mercantile history of this city, the case has no parallel; and madness—absolute madness and the most egregious folly must have prevailed at the Board of Direction which perpetrated this nameless act. We are quite sure that no failure ever took place here which has excited greater, or more merited sympathy; while its consequences to their employees are such as absolutely to make the heart bleed. And all this has been accomplished in consequence of a panic pervading a bank parlor, and the President of a Wall street bank lacking the necessary nerve to look in the face a weekly statement which might present him in a less favorable aspect than some neighboring institution. —*Courier & Enquirer.*

FATAL ACCIDENT.—In the forenoon of Friday last as a man by the name of Goudon, living in this village, was on his way to his farm in the country, with his wife and child, a little boy about two years old, in an ox team. About one mile from here on the old Portage road, he drove into a stream for the purpose of watering his cattle, and on starting again, the cattle, instead of crossing the straight, made a short turn and attempted to get on the road by ascending a steep bank, thereby capsizing the wagon, which turned completely over striking the woman across the throat, killing her instantly. The child on being taken out from under the wagon, was apparently dead, but after some time was partially restored and lived apparently in great agony, until Saturday night, when it expired. The mother and child were buried together on Sunday in the Catholic burying ground in Elba.—*Columbus Journal.*

THE SPIRIT OF REVOLUTIONARY TIMES.—The following story, related by a mother to her children, a few years since, will show the spirit that existed among the people of New England at the trying period to which it relates:

Late in the afternoon of one of the last days of May, 1776, when I was a few months short of nineteen years old, notice came to Townsend, Mass., where my father used to live, that fifteen soldiers were wanted.

The training band was instantly called out, and my brother next older than myself was one that was selected. He did not return till late at night, when all were in bed. When I rose in the morning I found my mother in tears, who informed me that my brother John was to march the day after to morrow, at sunrise. My father was in Boston, in the Massachusetts assembly; mother said that though John was supplied with summer clothes, he must be away seven or eight months, and would suffer for want of winter garments.—There was at this time no store, and no article could be had, except such as a family would make such. The sight of a mother's tears always brought all the hidden strength of my mind to action. I immediately asked, her what garments were useful. She replied, pantaloons.

"Oh, it that is all," said I, "we will spin and weave him a pair before he goes."

"Tut, tut," said my mother, "the wool is on the sheep's back, and the sheep are in the pasture."

I immediately turned to a younger brother, and bade him take a salt dish and call them to the yard. Mother replied,

"Poor child, there are no sheep shears within three miles and a half."

"I have some small sheers at the loom," said I.

"But we can't spin and weave in so short a time."

"I am certain we can, mother."

"How can you weave it? There is a long web of linen in the loom."

"No matter, I can find an empty loom."

By this time the sound of the sheep made me quicken my steps towards the yard. I requested my sister to bring me the wheel and cards, while I went for the wool. I went to the yard with my brother, and secured a white sheep, from which I sheared with my boom shears unit enough for a web; we then let her go with the rest of the flock. I sent the wool in with my sister. Luther ran off for a black sheep, and held her, while I cut off wool for my filling and half the warp, and then we allowed her to go with the remaining part of her fleece.

The wool thus obtained was duly carded and spun, washed, sized and dried. A loom was found a few doors off, the web got in, woven and prepared, cut and made, two or three hours before my brother's departure; that is to say, in forty hours from the commencement, without help from any modern improvement.

The good lady closed by saying, "I felt no weariness, I wept not—I was serving my country.—I was assisting my poor mother—I was preparing a garment for my darling brother. The garment being finished, I retired and wept till my over charged and bursting heart was relieved."

The brother was, perhaps, one of General Stark's best soldiers, and with such a spirit to cope with, need we wonder that Burgoyne did not execute his threat of marching through the heart of America.

☞ Among the curiosities which the ladies of Worchester county have forwarded for exhibition at the Mechanics' Fair in Wooster is an infant's blanket, wrought a hundred and forty years ago by the hands of the mother of Samuel Adams of revolutionary fame. It now belongs to a lady of Fitchburg who is a decendant from that family, and it is known to be the identical blanket in which the infant limbs of that noble old patriot Sam Adams were wrapped when he was carried to church to be christened.

A THEATRICAL CONTRETEMPS.—A melodrama was some few days since played in a certain theatre, the chief actor in which had made himself, by his haughty and overbearing conduct, disliked by one and all. In the last scene he was supposed to visit the tombs of his ancestors. In the centre of the stage, upon a marble pedestal, stood the statue of his father. A heavy fold of drapery covered the figure. Enter Albert Albert—"Once again," he says, "to gaze upon those features which in life so often gazed upon me with tenderest affection. Father, thy mourning son now comes to pay thee adoration. Let the remove the veil which from the vulgar gaze shields the beloved image of a once dear parent." Off went the drapery, and behold! the father *stood upon his head!* The effect cannot be described. It was electric. The shouts of laughter which followed the *mistake* of the scenesman effectually put an end to the scene, which changed to the next as quick as possible, amid the bravos of the audience, and the anger of the manager, and the uncontrollable rage of the actor.

IMPORTANT TO THE LADIES.

I HAVE JUST OPENED an invoice of goods which are for sale by auction, this day, at 10 o'clock, and I can sell them at private sale, at 20 ⅌ cent less than what they are worth, and 30 ⅌ cent less than you can purchase them in the city. The goods consist of White Under Flannels, Colored Flannels, Twilled Flannels, some French Merinoes, some all Wool Delaines, Sack Velvets, &c. The assortment is not very large, but what there is is of superior quality.

I have also just opened, this day, one case, consisting of twelve Ladies Fur and Winter cloaks, latest style, to be sold as great bargains.

SALOON, who has a good stock of Dry Goods, I will trade Pine Lake Farm for, with everything in the stock, furniture, &c., also if the stock of goods is very large and is worth more than the farm, I will pay the balance in money. Or I will exchange said farm for good mortgages, running 1, 2, 3, 8 years, or I will exchange said farm for Mdse. & Mds. & R. stock. Here is a great chance for some one to get a good home, one and a half hours ride on the Pine Lake Road from the city, with everything that one's heart should desire, with a good house and splendid barn, which would rent in Milwaukee for six hundred dollars a year.

CALEB WALL.

N. B.—In the said farm is not sold in thirty days, I will sell good, honest, quiet man and his wife to take care of said farm and all the stock through the winter, and probably when the spring comes I may conclude to sell the farm. So a chance for some one to get a comfortable home for the winter. I do not care what country they are from, but will require good references.

AUCTION SALE OF LOTS in the 1st Ward, Wright's addition, adjoining Sherman's. This new addition has been placed in our hands to be disposed of by sale to the public and must improve.—The ecandence which we find in the intrinsic value of the property, and the knowledge we have of the demand which exists for it, induces us even at this time to offer it at Public Auction.

Every resident of the ward is perfectly familiar with the location of these lots. They have hitherto been kept out of market by the owner, notwithstanding the many advantages which they offer for residences, but the growth, demand for them and the desire to improve the value of the residue of the property, induces him to offer a portion to them on terms which will induce others to come on and purchase, so that both he and themselves may benefit by the enhanced value will be given by their improvements. The size of the lots, 50X140, is of itself a great consideration to persons building, as it affords room for raising cabbages and other vegetables, which will repay the labor bestowed on them. Sale will take place at our office on Michigan Street, at 10 o'clock in the forenoon of the 20th inst.

WITHOUT QUESTION
The Great Book of the year is the new Tale by the authoress of the "Lamplighter,"
"MABEL VAUGHAN."
MISS CUMMINGS, the authoress, has written a story which, for elegance of diction and thrilling interest, has rarely been equalled by any American lady. The success she has been especially asked—can Miss Cummings write another book equal to "the Lamplighter?" We can answer this question now with perfect assurance, not only from our own personal knowledge, but from the unqualified opinions of the literary gentlemen of Boston, who have read the work with great care both of which pronounce it a superior book to the first, and that it will add immensely to her previously well-earned and world-wide reputation. It is a handsome volume of 500 pages. Price $1.00.
OTHER NEW BOOKS.
The Planter's Daughter, a Tale of Louisiana, by Miss A. S. Bupoy.
Souvenirs of Travel, by Madame Octavia Walton Le Vert, 2 vols.
Nothing to Say, by Doesticks.
Bulwer's Poems and Dramas, 1 vol., blue and gold.
American and American Mechanism.
Fresh Leaves, by Fanny Fern.
Vol. 4 Abbott's Practice Reports.
Pierce on the Law of Railways.
Brown on the statute of Frauds.
Voornies' New York Code, new and enlarged edition for 1857.
We would call particular attention to our large and varied stock of books, in every branch of human knowledge, to which we are constantly making additions. Every book we sell at publishers' prices.
